VILLAGE OF RIVER HILL, Clarksville, MD

Beautifully updated, move in ready home on an amazing 0.29-acre lot in the sought after River Hill community!

Nestled at the end of a picturesque cul-de-sac, this home offers exceptional curb appeal.

Lush, thoughtfully designed landscaping greets you with a graceful Japanese maple surrounded by flowering gardens.

Mature trees, including magnolia and crepe myrtle, line the side yard, while various perennial shrubs, vibrant flowers, and ornamental grasses add texture and seasonal color throughout the property.

A charming wrap-around front/side porch with no maintenance decking invites you to a stunning interior. The main level features 9'™ ceilings, refinished hardwood flooring throughout, and a floor plan that combines elegance with everyday functionality.

The generous home office with French doors and walls of windows features a sun-drenched workspace with inspiring garden views.

The formal dining room—complete with an exquisite chandelier, rich molding and wainscoting—flows seamlessly into a gourmet kitchen upgraded with expanded cabinetry, full-extension pull-out drawers, glass tile backsplash, a vented out range hood, and expanded bar area with extra seating.

Adjacent to the kitchen is the inviting family room with cathedral ceilings and a cozy fireplace at its heart.

Relax or entertain with your family and friends on a paver patio from the kitchen/breakfast

area, enjoying a well composed setting of wonderful flower beds, meandering pebble paths, spacious green lawn, layered shrubs and tree lines.

Upstairs, you'll find 4 updated bedrooms and 2 fully renovated bathrooms. The primary suite features a cathedral ceiling, walk-in closet with organizers, and a new spa-like en-suite bath. All bedrooms include ceiling fans and window treatments.

The partially finished basement presents a large recreation room, a wet bar, a flex room, and a half bath (with rough-in plumbing for a full bath). A sizable storage room and walk-out access with stairs to the backyard provide both practicality and potential.

At the rear, fast-growing evergreens have recently been planted to form a natural privacy screen in just a few years.

2-car garage with extra space, high ceiling, and device for better storage.

Recent updates also include: 2020 Roof (50-year architectural shingles, transferable warranty), new half bath at the main level, fresh two-tone paint interior entire house, new modern lighting fixtures, and new luxury Vinyl Plank flooring throughout the basement.

This home is a true sensory delight—a harmonious blend of traditional charm and modern convenience. From the welcoming porches to the professionally landscaped yard with solid pebble paths, fragrant flowering trees, and a lush green lawn, every detail has been designed with care and intention.
