VILLAGE OF LONG REACH, Columbia, MD

This all-brick, end unit townhome features substantial updates throughout. A private side entrance overlooks green space with attractive landscaping, and leads into the updated kitchen, highlighted by contemporary wood cabinetry with gleaming granite counters and designer tile backsplash. The living room is light-filled due to extra end unit windows, and a replaced slider door. The slider leads to the replaced composite deck, and overlooks the rear yard and open space. The upper level features three spacious bedrooms and an updated full bath with granite vanity and upgraded ceramic tile flooring. The lower level provides a laundry area, abundant storage, and space for customization. With an assigned parking space and just steps to the neighborhood center, pool, and walking trails, and only minutes to shopping, restaurants, and commuter routes, this location could not be more convenient. All this, and a brand NEW Roof w/ 50 year architectural shingles (2025) and a replaced HVAC (2017). Move-in ready and all the big items have been completed!
